INDOOR WATERPARK IN THE COUNTRY
BY USA TODAY

13 OF THE FASTEST, CRAZIEST, MOST INNOVATIVE WATERSLIDES EVER CREATED FOR AN INDOOR WATERPARK

Slide both indoor and out all year round as the Aquatopia waterslides literally wrap the building. Ride the Venus SlydeTrap if you dare – a first of its kind waterslide created exclusively for Aquatopia. Experience the East’s first indoor looping (yes, looping!) waterslide. Or test yourself on Storm Chaser – North America’s longest indoor, uphill (yes, uphill!) water coaster!

RELAX IN
84° PERFECTION ALL YEAR ‘ROUND

Get a tan. A real suntan. The sun beats down, even in winter, through the ‘Texlon® transparent roof. If our waterslides get your heart racing too fast, relax in the Lost River. Or join us at Flyboys, our exclusive swim up bar.

SURF, SKI & RIDE
ALL ON THE SAME DAY

Camelback takes you on an epic adventure. Enjoy one of the only places in the world where you can ski, snowboard and surf all in the same day without ever getting back in a car. Surf Bombora. Totally gnarly.

FREE admission to Aquatopia for EVERY lodge guest!
After all the adventure on the mountain, you might need to take a little time to recharge your soul – and your body. Serenity Spa & Oasis Kids Spa offer signature massages, facials, wraps, scrubs and even mani/pedi’s. Or, skip the adventure and go straight to the spa. We won't judge.

A seasonal ceremony and reception at Camelback Resort changes in color like that of our mountain landscape. From winter white and starlight, bursts of spring wildflowers and summer sun, to firelight embers and the warm glow of autumn foliage, celebrations at Camelback are truly magical every day of the year. Let our ‘We Do’ team deliver the wedding you’ve always dreamt of.

Take your next meeting out of the box. Literally. Camelback offers 20,000 square feet of flexible meeting space inside with unlimited mountain adventures outside. Lifetime memories included free. You really need to start meeting like this.
