Once hired, Camelback Resort employees can become eligible for health insurance and receive an array of perks from complimentary lift tickets, ski and snowboard lessons to complimentary access to Aquatopia, Mountain

"We look for people with a passion for service and wanting to help our guests enjoy their experience with us," said Camelback Resort's managing director, Shawn Hauver. "It's not necessary to have the appropriate skill set, as we provide training within each department," he added.

Many employees have been with the resort long term and have grown within the company. "I started parking cars 20 years ago, and now I'm on the executive team," said Tim Bayer, VP of Facilities. "I've learned to become a team player, how to be quick on my feet and have seen Camelback grow with an indoor waterpark, lodge and so much more," he stated. "There's never a dull moment. Each day is different."
